RE: Representative Hulsey's Amendments for state surplus

Joseph,

I just talked to Rep. Hulsey about this. After reviewing Wisconsin's previous incentive, can you restore the previous language but increase the annual aggregate cap to \$10 million. Was the \$1 million all that was available or was that a cap/production?

Thanks.

Can you hold that for a bit until I talk to Rep. Hulsey on changing that number? I expect him in about 20 minutes.

Thanks!

Matt,

The maximum amount that could be claimed in a fiscal year was \$1,000,000: \$500,000 for the film production services credit and \$500,000 for the film production company investment credit.

The credits were refundable, so the claims were a drawn down from the general fund.

Joseph,

Yes that is the idea from Representative Hulsey, to restore the film credit. He understands how the credits were used or unused. What was the original amount that was in the fund that was eliminated?

Thanks.

Matt

PS Also, on the recommendations of some of your colleages, would you please make this a sub, instead of an amendment? It seems cleaner that way.

Matt,

The request under amendment #5 indicates that \$10 million would be added to the film credits. The film credits were eliminated by the budget by way of a sunset provision. In essence, those credits were one of several that were underutilized. Is it your intent to restore those credit and increase the maximum amount of the claims?

Steve,

We are sorry for the late submission of the 5 budget amendments in response to Governor Walker's proposal for the new state surplus, but we were still collecting information. Hopefully these will be straight forward.

There are five, possibly six separate amendments on the attached spreadsheet (the sixth is not complete yet), each in different areas of the budget. All proposals contain property tax relief (using 1st dollar funding) and money for the rainy day fund. We do not want to change the tax brackets, any of the AMT or net tax liability proposals in AB1 for the Special Session.

Thank you very much.
